

## Billboard Project

1. Fold all pieces of the same size of paper in half like *hamburgers*.
2. Place a line of glue at the top and bottom of one side of each folded billboard section and glue them side by side on a larger sheet of paper or poster board. If glued correctly, all doors will open from right to left.
3. Pictures, dates, words, and so on, go on the front of each billboard section. When opened, writing or drawings can be seen on the inside left of each section. The base, or the part glued to the background, is perfect for more in-depth information or definitions.

Use for time lines or for sequencing information, such as events in a war, presidents of the United States, or ratification of states.
